Personal information:

Date of birth: 6th of August, 1993.

Place of birth: Belgrade, Republic of Serbia

Citizenship: Republic of Serbia

Sex: Male

Marital status: Single

Education:

- Graduated from Mathematical High School in Belgrade, class of 2012
- Started studying Software engineering at Faculty of electrical engineering, University of Belgrade in 2012.
- After an outstanding first year of studies (9.88 GPA), I was offered by faculty dean to try studying at accelerated program (completing 90 ECTS per school year during 2013-2014 and 2014-2015 school years, with a goal of graduating one year earlier than regular students). Since Software engineering studies normally take 4 years (240 ECTS) in this faculty, my projected year of graduation is 2015.

Working and competition experience:

- Intern at LukoilSrbijaa.d. for 2 months during summer of 2013, worked on adjusting SAP accounting software for specific needs of this company
- Regularly working as student-assistant at Faculty of electrical engineering, University of Belgrade since 2013, with work assignments being:
 - Checking and grading younger students' homework
 - Mentoring younger students during their work on school projects
 - Being on duty during exams
 - Showing demonstrations during laboratory exercises for younger students
 - Grading younger students' work during laboratory exercises
- In spare time, i work on designing and building websites with two colleagues from faculty
- In 2013, entered "Build the future", EESTEC organized international competition in creating social networks, won 2nd place

Professional skills:

- Software developing languages: C, C++, C#, Java, SQL
- Web development languages: HTML, CSS, JavaScript, PHP
- Operating systems: Microsoft Windows, Linux
- Environments: Eclipse, Visual Studio, SQL Server Management Studio
- Other technologies: .NET Framework, including ASP.NET (MVC), ADO.NET

Other skills:

- Languages: Serbian, English (fluent, attended English classes for 13 years, also travelled a lot), French
- Hard working, responsible, well organized, very devoted to my work
