EDUCATION

- **Electronic fakulty, Nais 2006- 2012 within, average 7.9**
master engineer of electrotechnic and computing
course: Electronic
subcourse: Multimedia Technology
- Mechanical-Electrotechnic school, Krusevac
course: Electrotechnic of computing 2002- 2006.

LANGUAGES

- **English language, B2- upper intermediate**, certifications in English language, *Spell School Nais*, communication and witting very good.

PROGRAMMING LANGUAGES AND PROGRAMS

Very basics in **Java**, basics in NetBeans, basics in MySql, basics in JavaScript, HTML, CSS, Visual Studio- programing in C.

WORKING EXPIRIENCE

I don't have working expirience in *Software Devalopment*, it would be first opportunity for me which i eagerly expect. I see myself in Software Devalopment nothing else.

I was working for a year like electrician from 08.10. 2013- 01.10.2014 because i needed money. So at that time during working i was learning basics of C, Java, HTML, JavaScript.

PERSONAL CHARACTERISTICS

Hard worker, responsible, organized, learning very fast, ready to maximal devoted in learning what i need.

MORE INFORMATION: Driving licence B.
