

At PwC, our purpose is to build trust in society and solve important problems. We're a network of firms in 155 countries with over 284,000 people who are committed to delivering quality in assurance, advisory and tax services. Find out more and tell us what matters to you by visiting us at www.pwc.com.

Currently we are looking for:

Junior Developer Support

Tasks:

Providing support to clients on Smart Tax team products, including:

- In case of an error report, contacting the customer, finding out the reason, requesting the necessary data (e.g. log files, invoice data, etc.)
- Coordinate small individual projects (e.g. data reconciliation, mass correction of erroneous data, etc.)
- Working closely with the developer team
- Provide technology advice
- Comprehensive analysis of cases and detection of possible hidden bugs

Important skills:

- Strong customer communication in English and Serbian both written and oral
- Analytical mindset
- Knowledge of invoicing and invoice acceptance processes
- Understanding of technical documentation

Nice to have skills:

- Basic knowledge of SQL language
- Knowledge of online invoice system
- Knowledge of Youtrack or other project management tool
- Knowledge of XML language
- Knowledge of a programming language
- Knowledge of low code/no code platforms

If you fulfill above requirements and want to grow professionally in an outstanding work environment apply online.

PricewaterhouseCoopers d.o.o. Beograd or PricewaterhouseCoopers Consulting d.o.o. Beograd, which runs a recruitment process, with its registered seat in Belgrade, Omladinskih brigada Street no. 88a („PwC” or “we”) will be the controller of your personal data submitted in your application for a job.
